

For release the week of February 15th until show dates

The Cactus and Succulent Society of New Mexico will be holding its 37th annual plant show and sale on Saturday April 3rd and Sunday April 4th. The location will be the Albuquerque Garden Center at 10120 Lomas NE. The hours are 10:00 AM until 4:00 PM on Saturday, and 10:00 AM until 4:00 PM on Sunday. There is no admission charge.

There will be a wide variety of cacti and succulents for sale, from bargain starter plants to spectacular specimens. A highlight of the sale will be the silent auction plants: bidding will be done in groups every 2 hours till all plants are sold. Bidders must be present at the close of bidding to purchase plants.

There will be several hundred plants on display in the show, and they will be some of the finest specimens from private collections in our region. You do not need to be a member to exhibit plants. Entries will be accepted at the Albuquerque Garden Center Friday April 2nd from 12:00 Noon to 7:00 PM. For more information on entering plants or further details please contact:
