

Schedule for Plant Hosts/Docents at the Albuquerque Botanic Garden Show -- Sept 1-3, 2018

The Cactus & Succulent Society of NM must have a minimum of two people hosting the showroom at all times. We can have more! In 2017, we had lots of interested people with basic questions! New members, please sign up! Your enthusiasm will be quite welcome! In almost all cases, your knowledge of the plants will be fine -- and if you do not know, ask one of the other docents as they may be able to help.

Rules for workers:

All "hosts" and "workers" will be provided a Botanic Garden badge that they are required to wear while inside the fee area of the Garden. CSSNM name badges are encouraged as well. Only CSSNM volunteers will receive free admission while they work and during set up/take down. Family, friends, and general non-working members of CSSNM must pay admission. All volunteer parking will be in the main public lots.

Please email rpeters52@gmail.com to sign up!
